Model – San Marino 88

San Marino Yachts has brought together an unbeatable team of specialists to meet the requirements of today's discerning Yacht owner. The aim is to provide the most skillfully engineered yacht in its class. San Marino Yachts takes pride in building each yacht to the specific needs and designs of the yachting community. The innovative use of one piece molded deck system and vacuum-bagged fiberglass construction is considered the most up-to-date technology in the industry. With the combined efforts of San Marino Yachts and United Ship Design and Development Center, the outcome is the building one of the best built and engineered luxury yachts to date.

Please compare this yacht to any other similar and you will see that there is no comparison.

San Marino Yachts features a raised pilot house in a walkaround body style. Full beam (21') salon with over 7' 2" of headroom throughout the yacht. This magnificent 3 Stateroom, 4 head yacht is the most elegant that is on the market. From the plush accommodations to the smallest hinge on the cabinet doors, everything is the best possible.

Accommodations

Dreams can come true with a generous beam of 21'+ providing a stable and spacious environment. The full-beam MAIN SALON offers space found only on much larger yachts. The main salon features a large seating area to port and starboard, a state-of-the-art surround sound entertainment center including a pop-up 32" plasma TV and an on-deck head. Sound-proof accommodations all encased in a beautiful cherrywood with Burlwood in-lays. Completed in a high gloss finish on top of 5" Brazilian cherrywood and marble flooring. Simply put, she is gorgeous!

The MASTER STATEROM is truly a masterpiece of elegance, inviting the taste of the most discriminating. Relax amid its luxurious and spacious appointments of the finest exotic woods, contours and exclusive fabrics, while enjoying a ride as smooth as that of a yacht twice the size. Beautifully appointed with a rich cherry-wood appeal and exquisite carpeting over a finished teak floor. Three huge closets and built-in drawer and shelf space. Ensuite head with double sink and body spray in shower.

Welcoming your guests on board will be easy with the full-beam queen VIP STATEROOM

with private head, is the size of a typical master suite on other vessels in this class. This beautifully appointed stateroom has a plasma TV, stereo, night stands, fully carpeted over a finished teak floor. This stateroom has wonderful natural lighting and Shoji shades.

The GUEST SUITE is a twin configuration with an en-suite private head, plasma TV, stereo system and plenty of storage.
